NEW YORK, MONDAY, SEPTEMBER 5, 1892.

## WORLD POSTAL CARD

2 O'CLOCK.

## LABOR'S OWN DAY

**Eleventh Annual Parade** of New York's Bone and Sinew.

### FULLY 20,000 MEN IN LINE.

All Nature Smiles in Honor of the Celebration.

The Holiday Generally Observed -Sports and Pastimes for Everybody.

The eleventh annual paradelof the hosts of labor marched under a cloudless sky. The day dawned beautifully. The face of all na-

ture was pleasant. Flags floated from the City Hall, Post-Office and other public buildings, and hundreds of business buildings and private houses were honor of the holiday of the bone and sinew of

Grand Marshal. was practically suspended throughout the city. The downtown exchanges were deserted and silent. The buils and bears had closed their bickerings and or to the place consecrated to their especial

There was cricket, lacrosse and golf, cy. metropolis. cling races, yachting, rowing and foot races, athletic sports, Gaelic, Caledonian and Hibernian games, picnics, festivals, dances and. in fact, every conceivable variety of pleasure for

But the chief and central event of the day was, of course, the great parade of organized labor, in which seventy unions participated.

The parade was marshalled by A. F. Lovering. He is a member of Typogra thical Union 6. which furnished in William McCabe the Grand Marshal for the tirst Labor Day Marshals of the Central Labor Union parades

In 1883. Henry O. Cole : in 1884. William McCabe; 1885, Paul Meyer; 1886, James P. Archibald; 1887, John Morrison; 1888, John Sullivan; 1889, George Cavanagh; 1890, Charles P. Rogers, and last year, Michael J.

The idea of a holiday consecrated to the laboring classes was the conception of P. J. McGuire, General Secretary of the United Brotherhood of Carpenters, in 1881.

Beginning in 1884, the first Monday in Sep-tember was set apart for Labor's parade, and the first Monday in May a legal holiday, to be known as Lator Day, but nobody observed it, The Ancient Order Hithernians holds its GIANTS. AND THE CHICAGOS. Monday in September." Since then other States have adopted the idea.

Grand Marshal Lovering scienced William
Tobin and Eugene O'Rourke for his aides, and
for Brigade Marshals, Frank W. Balmes,
United Wood-Carvers; James Monaghan,
United Order of American Stairbuilders;
Robert J. Bilssert, United Clothing-Cutters,
and Francis T. Keely, Gold-Beaters' Union.

The races are four in number, 12, 15,
21 and 27 miles respectively.

There were three rowing re, as tas on the
cards for Labor Day. The first was that of
the New Rochele knowing Clus. The Xavier
Boat Club regetta was set down for 2 octoor.

But the Stripolalyn, Baysdozen of the Str
